

KO4G Scholarship Application

KnockOuts For Girls awards scholarships when funds are available. The amounts will vary, depending on applicants' need and available funds. There are no deadlines to apply and we keep applications on file. Any female high school seniors in the United States may apply. Money awarded will go directly to colleges and universities. If a recipient is not accepted into a college or university, or if they decide not to attend, the money will be awarded to another applicant.

To be considered for a scholarship, please email the following information to:
